

SHS Advisory for Thursday March 9th, 2023

9th & 10th Grade: Career Pathway Planning

From the Career Pathway Team:

Thank you for your support as we pursue this exciting endeavor for our students!

Please share this presentation with your students to prepare them for the events planned for March 22nd:

Please

- go through the presentation during advisory (google slides form)
- post the presentation in your google classrooms (pdf form)

There are TWO links in the presentation for students to sign up for Mock Interviews and Resume Building. There is limited availability for these, so encourage students to sign up if they have an interest.

Teachers: On the day of the event, your job is to monitor students and help move them along through the various transitions between events.

If you have any questions, feel free to reach out to Pam, Elena or Brad. Thank you again for your help to make this a great morning for our students.

11th Grade: Digital SAT Practice

Proctors:

- Begin at digitaltesting.collegeboard.org and click "Practice Giving a Test Using the TA Interface"
- Login to your TA Interface Account & Launch the Digital Test Preview
- Follow the Digital Test Preview Guide that will be distributed and used Wednesday after school. Copies of the guide are available in the Career Center.

Students:

- Open school-issued chromebook, do NOT sign in.
- Find & select the "Secure Test Browser" app from the waffle menu in the bottom left of the startup screen, then follow your instructions.

**11th grade homerooms may choose to pair up for the Advisory.*

12th Grade: Senior Checklist: A BRIEF slideshow to review
